

Kindergarten registration is scheduled for Friday, March 26 and Monday, March 29 from 1-3PM at the early schools and 1:30-3:30 at the late schools. Parents can pick up a registration packet beginning in March during regular school hours. They can also pick one up during evening conferences on Thurs. March 25 from 6-8 PM.

Parents will need to bring to registration:

- Child's birth certificate-long form (child must turn 5 on or before Dec. 31, 2010)
- 2 Proofs of residency (a current signed lease and a current utility bill)
- Parent's photo ID
- Completed registration packet

Please do not bring your child as a special visit will be scheduled for kindergarten orientation at a later date. Registration will take approximately a half hour.

If you are not sure, which school your child will be attending, please call Central Office or an elementary school in your neighborhood and give your address. The school will use the district street directory to verify the correct school.
